## Registered number of incorporation

Companies Registration Office number 2023-01-01 - 2023-12-31 123456

## Directors' report

The directors present their report and financial statements for the year ended 31 December 2023.

## Results and dividends

The profit for the year after taxation amounted to €1,393,000 (2022 - profit of €1,109,000). The directors paid an interim dividend of €90,000 (2022, interim - €1,444,000).

## Principal activities and review of the business

Description of principal activities 2023-01-01 - 2023-12-31 The company distributes insurance products in the Republic of Ireland as a party to agreements with insurance companies entered into by its parent undertaking, which is itself responsible for certain of the services provided.

The market has continued to be very challenging in the current year, however the results for year ended 31 December 2023 are very encouraging.

## Key performance indicators

The key performance indicator for the company is profit before tax.

	2023	2022
	€000	€000
Turnover	4,998	4,361
Profit before tax	1,592	1,269
Shareholder funds	3,573	2,270
Average employees during the year (no.)	16	15
Current assets vs current liabilities (quick ratio)	1.67	1.53

## Future developments

The directors are committed to long term creation of shareholder value by increasing the

company's market share. The directors consider the results for the period to be satisfactory. While the incoming year is likely to continue to be very challenging, early results are satisfactory and the directors expect another year of good progress.

## **Going concern**

The directors have assessed, based on the anticipated activities of the company, that there are adequate resources in place to meet the ongoing costs of the business for the period to 31 December 2025, which is more than 12 months from the date of signing the financial statements. In coming to this conclusion, the directors have assessed the entity's current financing arrangements and liquid resources. The directors have performed various scenarios using reasonably possible changes in assumptions and note that there is sufficient headroom on all scenarios. In addition, the directors have performed a worst case scenario which considers the scenario whereby the company breaches financial covenants or exhausts available cash reserves and facilities, and concluded that this scenario is remote. For this reason, the financial statements have been prepared on a going concern basis which presumes the realisation of assets and liabilities in the normal course of business.

The directors are comfortable that the company has sufficient cash reserves and financial support available to meet and address the issues which have arisen from the Covid-19 Pandemic. The directors continue to monitor the impact of the Covid-19 pandemic on the business as the future impact on the business and sector remains uncertain.

As the directors have a reasonable expectation that the company has adequate resources to continue in operation existence for the period to 31 December 2025, which covers a period of more than 12 months from the approval of the financial statements, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

## **Principal risks and uncertainties**

Performance in the sector is affected by general economic conditions and specific sectoral factors associated with the worldwide insurance market. The board is aware of competitor activity, market trends and forecasts and customer requirements. Insurance capacity availability and pricing are other sectoral risks faced by the company.

## **Human resources**

The company's most important resource is its people; their knowledge and experience are crucial to meeting customer requirements. Retention of key staff is critical, and the company has invested increasingly in employment training and development and has introduced appropriate incentive and career progression arrangements.

Consultation with employees or their representatives has continued at all levels, with the aim of ensuring that views are taken into account when decisions are made that are likely to affect their interests and that all employees are aware of the financial and economic performance of the company.

## **Disabled employees**

**Employment of disabled persons policy** 2023-01-01 - 2023-12-31 Applications for employment by disabled persons are always fully considered, bearing in mind the respective aptitudes and abilities of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the company

continues, and the appropriate training is arranged. It is the policy of the company that the training, career development and promotion of a disabled person should, as far as possible, be identical to that of a person who does not suffer from a disability.

### Directors

The directors who served the company during the year were as follows:

### Directors and their interests

ID-N-1 Statement if director or executive had no interest in shares or debentures of the entity or its undertakings 2023-01-01 - 2023-12-31

The beneficial interests, including the interests of spouses and children, of the directors and secretary in office at 31 December 2023 in the share capital of the company's ultimate parent undertaking, Company1, were as follows:

31 December 2023	Held in Company1		
	"A"	"B"	Priority
	Ordinary shares of £0.01 each	Ordinary shares of £0.01 each	shares of £40.3382 each
Director1	1,230	-	1,465
Director5	4,741	-	5,644
Director2	12,719	40,000	15,142
Director3	10,337	30,000	12,306
Director6	1,362	10,000	1,622

The directors and secretary and their families had no other interests in the shares of the company or any other group company at 31 December 2023.

## Accounting records

The directors are responsible for ensuring that proper books and accounting records, as outlined in sections 281 to 285 of the Companies Act 2014, are kept by the company. To achieve this, the directors have appointed an experienced bookkeeper with the appropriate qualifications, experience and expertise who reports to the finance director and ensures that the requirement of sections 281 to 285 of the Companies Act 2014 are complied with.

Those books and accounting records are maintained at Address11, Address12, Address13, Address6.

## Disclosure of information to the auditors

**Statement on quality and completeness of information provided to auditors** 2023-01-01 - 2023-12-31 In accordance with section 330(1) of the Companies Act 2014, so far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the company's auditor, each director has taken all the steps that they are obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

## Auditors

Consideration to reappoint **Name of entity auditors** 2023-01-01 - 2023-12-31 Auditor1 as auditors will be put to the members at the Annual General Meeting in accordance with Section 383(2) of the Companies Act 2014.

## Directors' Responsibilities Statement

**ID-N-2 Statement that directors acknowledge their responsibilities under the Companies Act** 2023-01-01 - 2023-12-31

The directors are responsible for preparing the annual report and financial statements in accordance with Irish law.

Irish company law requires the directors to prepare financial statements for each year. Under that law the directors have elected to prepare the financial statements in accordance with accounting standards issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (Generally Accepted Accounting Practice in Ireland).

Under company law, the directors must not approve the financial statements unless they are

satisfied that they give a true and fair view of the assets, liabilities and financial position of the Company as at the year end date and of the profit or loss of the Company for the year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies for the Company financial statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for ensuring that the Company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the Company, enable at any time the assets, liabilities, financial position and profit and loss of the Company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ID-N-2

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CompanyName**

### **Report on the audit of the financial statements**

#### **Opinion**

**Statement on scope of audit report** 2023-01-01 - 2023-12-31 We have audited the financial statements of CompanyName ('the Company') for the 31 December 2023, which comprise the Profit and loss account, the Statement of comprehensive income, the Statement of changes in equity, the Balance sheet and notes to the financial statements, including the summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' issued in the United Kingdom by the Financial Reporting Council.

**ID-N-3 Opinion of auditors on entity** 2023-01-01 - 2023-12-31

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2023 and of its profit for the year then ended;
- have been properly prepared in accordance with FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

ID-N-3

#### **Basis for opinion**

**ID-N-4 Basis for opinion of auditors on entity** 2023-01-01 - 2023-12-31

We conducted our audit in accordance with International Standards on Auditing (Ireland)

(ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

ID-N-4

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

### **Other information**

ID-N-5 Statement of auditors responsibilities relating to other information 2023-01-01 - 2023-12-31

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

ID-N-6 Statement on risks of material misstatement identified by the auditor 2023-01-01 - 2023-12-31

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

ID-N-6 ID-N-5

### **Opinions on other matters prescribed by the Companies Act 2014**

ID-N-7 Opinion of auditors in respect of additional financial reporting framework 2023-01-01 - 2023-12-31

In our opinion, based solely on the work undertaken in the course of the audit, we report that:

- the information given in the directors' report for the financial year ended for which

- the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

ID-N-7

### **Matters on which we are required to report by exception**

ID-N-8 Statement on matters on which auditor reports by exception 2023-01-01 - 2023-12-31

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures required by sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the Company. We have nothing to report in this regard.

ID-N-8

### **Respective responsibilities**

ID-N-9 Statement on respective responsibilities of directors and auditors 2023-01-01 - 2023-12-31

#### **Responsibilities of directors for the financial statements**

As explained more fully in the directors' responsibilities statement set out on page 5, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: [LinkRemoved](#).

This description forms part of our auditor's report.

ID-N-9

### The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the Company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the financial statements at 31 December 2023

### 1.Accounting policies

#### **Statement of compliance**

CompanyName is a private company limited by shares and incorporated in the Republic of Ireland. The Registered Office is Address11, Address12, Address13, Address6.

Statement of compliance with applicable reporting framework 2023-01-01 - 2023-12-31

The Company's financial statements have been prepared in compliance with FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' for the year ended 31 December 2023 and Irish statute comprising the Companies Act 2014.

#### **Basis of preparation**

General description of basis of measurement used in preparing financial statements 2023-01-01 - 2023-12-31 The financial statements are prepared under the historical cost convention, in accordance with applicable Irish law and accounting standards issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland, including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (Generally Accepted Accounting Practice in Ireland).

Functional and presentation currency policy 2023-01-01 - 2023-12-31 The financial statements are prepared in Euro which is the functional currency of the Company and are rounded to the nearest €000.

#### **Reduced disclosure framework**

The company has taken advantage of the following disclosure exemptions under FRS 102:

- (a) The requirements of section 4 Statement of Financial Position paragraph 4.12(a)(iv);
- (b) The requirements of section 7 Statement of Cash Flows and section 3 Financial Statement Presentation paragraph 3.17(d);
- (c) The requirements of section 11 Basic Financial Instruments paragraphs 11.41(b), 11.41(c), 11.41(e), 11.41(f), 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c) and section 12 paragraph 12.26; and
- (d) Section 33 Related Party Disclosures paragraph 33.7.

The company's immediate parent undertaking is ParentEntity, which is registered in ParentCountry.

Company1, a company incorporated in ParentCountry, is the parent undertaking of the

largest group to consolidate these financial statements. Copies of the group financial statements of Company1 can be obtained from ParentAddress1, ParentAddress2, ParentAddress3, ParentAddress4.

UltimateParent, a company incorporated in the UltimateParentAddress, is the ultimate parent undertaking and controlling party.

### **Applicability of going concern basis**

ID-N-11 Description of going-concern status 2023-01-01 - 2023-12-31

The company has net cash and a strong net asset position. As a result, the directors believe that it is appropriate to adopt the going concern assumption in preparing the financial statements.

The directors have assessed, based on the anticipated activities of the company, that there are adequate resources in place to meet the ongoing costs of the business to 31 December 2025 which covers more than 12 months from the date of signing the financial statements. In coming to this conclusion, the directors have assessed the entity's current financing arrangements and liquid resources. The directors have performed various scenarios using reasonably possible changes in assumptions and note that there is sufficient headroom on all scenarios. In addition, the directors have performed a worst case scenario which considers the scenario whereby the company breaches financial covenants or exhausts available cash reserves and facilities, and concluded that this scenario is remote. For this reason, the financial statements have been prepared on a going concern basis which presumes the realisation of assets and liabilities in the normal course of business.

The company has fully considered the potential impact of Covid-19 and has prepared forecasts and projections that take account of reasonable possible changes to trading performance, these show that the company should be well able to operate within its current level of facilities.

As the directors have a reasonable expectation that the company has adequate resources to continue in operation existence for the period to 31 December 2025 which covers a period of more than 12 months from the approval of the financial statements, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

ID-N-11

### **Turnover**

Revenue recognition policy 2023-01-01 - 2023-12-31 Commission income relating to insurance broking is brought into account at the earlier of, the policy inception date or when the policy placement has been completed and confirmed.

### **Goodwill**

ID-N-12 Intangible assets policy 2023-01-01 - 2023-12-31

Purchased goodwill is capitalised and classified as an asset on the Balance Sheet. Goodwill is eliminated by amortisation through the profit and loss account over its useful economic life. The useful economic life of the assets shown in note 8 has been estimated by the directors at 2 years for goodwill and is amortised over a straight-line basis.

The estimated useful life of the goodwill is estimated based on a variety of factors such as expected use of the acquired business, the expected useful life of the cash generating unit to which the goodwill is attributed.

The carrying values of goodwill are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

The goodwill was fully amortised in a previous financial period.

ID-N-12

### **Tangible fixed assets**

ID-N-13 Property, plant and equipment policy 2023-01-01 - 2023-12-31

**Description of measurement basis for property, plant and equipment** 2023-01-01 - 2023-12-31  
Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

ID-N-14 Description of depreciation method for property, plant and equipment 2023-01-01 - 2023-12-31

Depreciation is provided on all tangible fixed assets, at rates calculated to write off cost, of each asset on a systematic basis over its expected useful life as follows:

Equipment, fixtures and fittings - 20-33%

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

ID-N-14 ID-N-13

### **Financial instruments**

The company has chosen to adopt sections 11 and 12 of FRS 102 in respect of financial instruments.

ID-N-15 Financial instruments recognition and measurement policy 2023-01-01 - 2023-12-31

#### **(i) Financial assets**

ID-N-16 Financial instruments recognition and measurement policy 2023-01-01 - 2023-12-31  
Financial instruments classes and categories [Dimension] : Financial assets at amortised cost

Basic financial assets, including trade and other debtors and cash at bank and in hand balances are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at present value of the future receipts discounted at a market rate of interest.

Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. Any impairment loss is recognised in the statement of comprehensive income.

ID-N-16

**Impairment of financial assets policy** 2023-01-01 - 2023-12-31  
If there is decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. Any impairment reversal is recognised in the statement of comprehensive income.

**Derecognition of financial assets and financial liabilities policy** 2023-01-01 - 2023-12-31

Financial assets are derecognised when (a) the contractual rights to the cash flows from the

asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) despite having retained some significant risks and rewards of ownership, control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions. **Continued at ID: cont\_43188895\_1**

## *(ii) Financial liabilities*

**ID-N-17 Financial instruments recognition and measurement policy** 2023-01-01 - 2023-12-31 **Financial instruments classes and categories [Dimension] : Financial liabilities at amortised cost**

Basic financial liabilities, including trade and other creditors are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

**ID-N-17**

**Trade payables policy** 2023-01-01 - 2023-12-31 Trade creditors are obligations to pay for goods or services that have been received in the ordinary course of business from suppliers. Trade payables are classified into amounts falling due within one year if payment is due within one year or less. If not, they are presented as amounts falling due after one year. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.)

**ID: cont\_43188895\_1 is a continuation of Tag: Derecognition of financial assets and financial liabilities policy** Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.)

**ID-N-15**

## **Foreign currencies**

**Foreign currency translation and operations policy** 2023-01-01 - 2023-12-31 Transactions in foreign currencies are initially recorded in the entities functional currency by applying the spot exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.)

## **Lease commitments**

**ID-N-18 Leases policy** 2023-01-01 - 2023-12-31 **ID-N-19 Lessee operating lease policy** 2023-01-01 - 2023-12-31 **Lessee policy** 2023-01-01 - 2023-12-31 Rentals under operating leases are charged to income on a straight-line basis over the lease term. **ID-N-19 ID-N-18**

## **Taxation**

**ID-N-20 Tax policy** 2023-01-01 - 2023-12-31

The tax charge represents the sum of tax currently payable and deferred tax. Tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

**Current income tax policy** 2023-01-01 - 2023-12-31 Tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes both items of income or expense that are taxable or

deductible in other years as well as items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates (and tax laws) that have been enacted or substantially enacted by the balance sheet date. )

ID-N-21 Deferred tax policy 2023-01-01 - 2023-12-31

Deferred tax is the tax payable or recoverable on differences between the carrying amount of assets and liabilities in the accounts and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries and associates, and interests in joint ventures, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax is not recognised on temporary differences where they arise from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be recovered.

Deferred tax assets and liabilities are calculated on an undiscounted basis at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantially enacted by the balance sheet date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

ID-N-21 ID-N-20 )

## **Pensions**

ID-N-22 Defined contribution pensions policy 2023-01-01 - 2023-12-31 Employee benefits policy 2023-01-01 - 2023-12-31 The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered scheme. The contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme. ID-N-22 )

## **Judgements and key sources of estimation**

General description of critical estimates and judgements 2023-01-01 - 2023-12-31 The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant impact on amounts recognised in the financial statements. )

The following are the company's key sources of estimation uncertainty:

#### *Taxation*

**Income taxes, critical estimates and judgements** 2023-01-01 - 2023-12-31 The company establishes provisions based on reasonable estimates, for possible consequences of audits by the tax authorities of the respective countries in which it operates. The amount of such provisions is based on various factors, such as experience with previous tax audits and differing interpretations of tax regulations by the taxable entity and the responsible tax authority.)

#### *Loss corridor*

**Provisions, critical estimates and judgements** 2023-01-01 - 2023-12-31 Some insurers operate loss corridor provisions whereby the company will have to repay earnings to the insurance company dependent on the underwriting performance of the insurance scheme in question. The company does not recognise income which it believes will be repayable to insurers based on current and historic performance of the relevant scheme. A provision is in place to cover the potential repayment.)

## 2.Turnover

ID-N-23 Turnover / revenue free-text comment 2023-01-01 - 2023-12-31

Turnover represents the amounts derived from the provision of services which fall within the company's ordinary activities, stated net of value added tax. The company operates solely within the Republic of Ireland.

All turnover is generated from the rendering of services to customers.

ID-N-23

## 3.Operating profit

This is stated after charging:

	2023 €000	2022 €000
